**Student Playathon to Benefit Scholarship Fund
for the Moorestown School of Music**

Students at the Moorestown School of Music will be performing at the Fifth Annual Playathon on Saturday, November 21st from 1:00 p.m. - 4:00 p.m.

Students will gain pledges for each piece they play. All funds raised will benefit the school's scholarship fund. Donations normally range from \$1 to \$10 per piece played and are currently being accepted online at <http://www.msmnj.org/support.html>.

"Each student who participates is given a Playathon button," says school Director Mary Anne O'Meara. "Prizes are given to the student who plays the most pieces and the student who raises the most donations."

The Moorestown School of Music is located at 301 Union Street and is currently offering Suzuki lessons for Cello, Violin and Piano. For more information about the Moorestown School of Music and the November 21st Playathon visit their website at <http://www.msmnj.org>.
